If you have to make it out to the musicians then Sharyl will give you the names. I had already asked one musician after I spoke with Eric, John Heussenstamm to play so we can give him a shorter time slot. Sharyl and I will work that out.

Also, I'm talking to someone about doing a flash mob in front of the Warner Grand. Let me know about any restrictions for that.

Thanks Lorena!

Andy, what do you need from us to get started posting about SPIFF on FB?

Ok thanks; I think we can probably do two performers for \$200, or a different kind of split depending on if solo, duo or full band. Definitely workable!

We usually only have one performer that we pay \$400 for 3 hours.
Can you make the \$400 work for all performers?

Hi Lorena, Andy, I wanted to say 'hello' and nice to 'emeet' you! I go back a ways with Ziggy, but new to the SPIFFest this year, and new to San Pedro, a resident as of 4th of July. In addition to communications director, I can assist in music events/booking (arranging our Kick Out the Jams event with Wayne Kramer on Oct 7).

Forgive me if I ask questions already covered, as the 'new kid'. The music programming would be 6p-9p? We can do this a few ways, but it seems like it would be nice to have 3 acts, maybe 30-35 minute sets, to allow time for change overs; shared backline makes that quicker too of course. Or two acts with longer sets? And/or share how you usually approach programming during art walk time, I've enjoyed as a consumer :) but not sure how long the sets are.

Looking forward to collaborating and meeting you in person.

Best,
Sharyl

Eric,

Thank you so much for the croissant and coffee this morning!

I would love to take you up on the offer for music on the

outdoor stage for First Thursday, I have the perfect musician. He is very entertaining and plays blues and jazz like a pro! Oh wait he wrote the books on how to play blues and jazz published by Hal Leonard ;) This will be a perfect way to promote the festival and the event he is doing at Alva's on the 14th with his band.

How do we proceed?
